

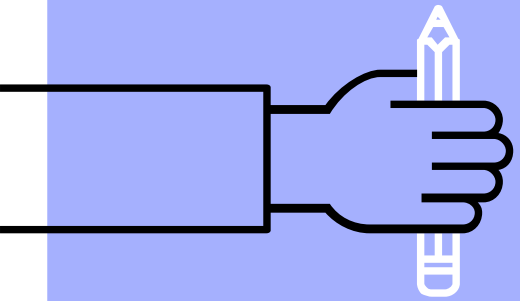
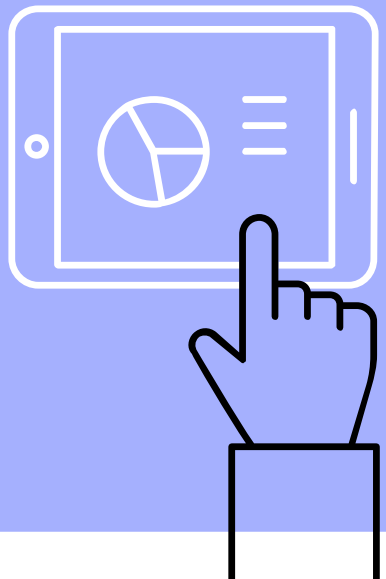
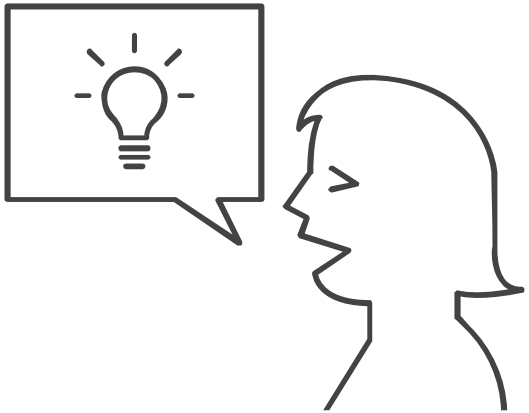
GWiCS's 2nd Meeting!





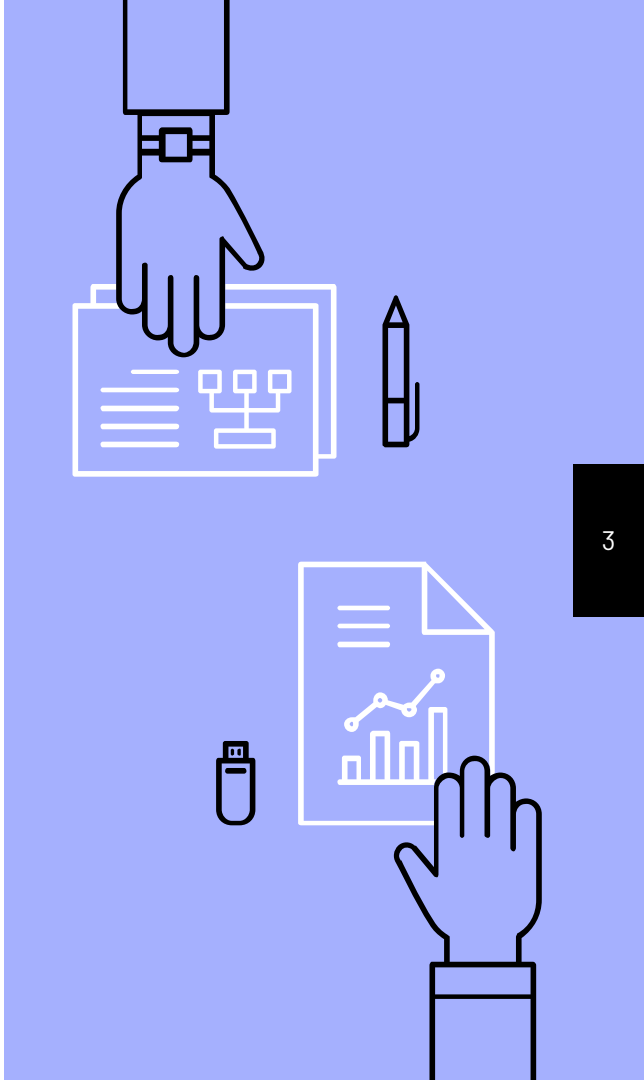
Agenda

- Panel Event!
- Company Hang out Event!
- GWiCS exec positions!
- Logo Previewing!



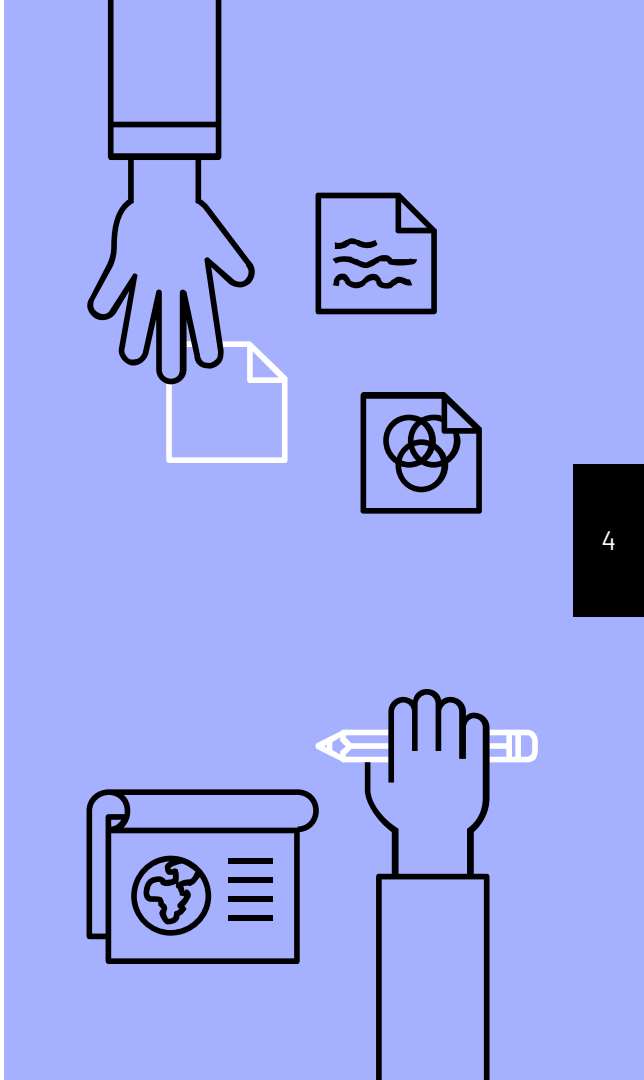
Panel Event

- **When**: Thursday March 22nd
- **Where**: SSC 1511
- **What**: Developers from companies like Google, Square and more are coming to the Guelph to answer your questions about working in the tech industry. This panel-style event is a great way to connect with people from industry and will include refreshments from hospitality! Come prepared with any questions you have :)



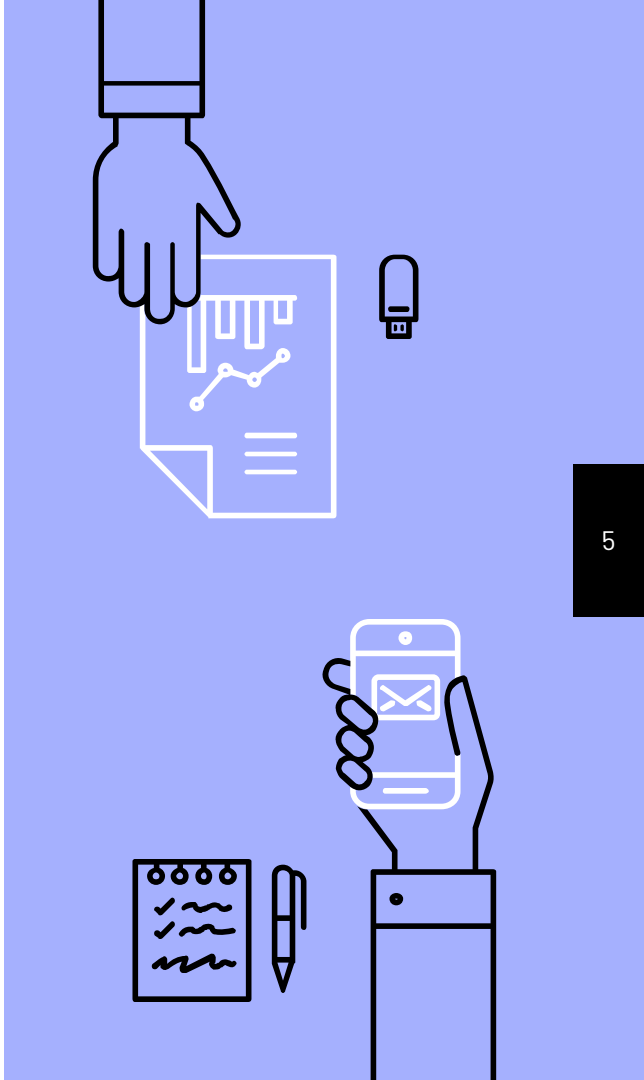
Company Hang Out Event

When: Thursday April 5th
What: A large software company is hosting GWiCS at their Waterloo office for a fun social evening, including an office tour and dinner! A bus to the event will be provided.



GWiCS Voting for Exec Positions!

- A poll will be posted where everyone can vote for the year rep for their year only!
- The poll will include the representative's name and their "pitch"
    - Vote based on who you think would represent your student group best and has the best ideas/experience to bring to the table!
- If you already sent your application in, but would like to re-submit a new one to be published in the poll, feel free to do so! Otherwise we will use the one you already sent in.
- The poll will go up on Monday (March 5th) so please submit all applications to gwics@uoguelph.ca by Sunday night!



New GWiCS Logo

- 3 submissions so far!
- If you have a logo design, send it in by the end of this weekend and we will put the vote up on Monday! (check you email/Facebook)
