

# GWiCS First Meeting!

FALL 2020

**WELCOME EVERYONE!**

# **GWICS**

## **Guelph Women in Computer Science**

### **WHAT IS GWICS?**

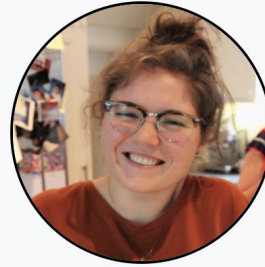

Founded in 2018, Guelph Women in Computer Science (GWICS) is a student-run organization that seeks to build a supportive community for women studying computer science, software engineering and related computing degrees at the University of Guelph. This includes cis and trans women as well as non-binary individuals. GWICS hopes to support the inclusion and retention of these groups in our community!
